1. The tension in East Java has diminished considerably. Some cooperation now exists between the new Dutch commandant, Col. Sheffelaar (may possibly be Gheffelaar) and Col. Sungkono of the Tentara Nasional Indonesia (TNI).
2. Two-thirds of the entire East Java area is now occupied by the TNI.
3. Col. Sungkono has a new chief-of-staff named Lt. Col. Jonosewojo, a Javanese officer trained by the Japanese.
